## SUMMARY

Experienced Full Stack Developer with around 3 years in the industry, specializing in PHP, Laravel, CodeIgniter, JavaScript, Bootstrap, and MySQL. I have a strong track record in developing cutting-edge Software as a Service (SaaS) applications and innovative e-commerce projects. Skilled in integrating payment solutions like Stripe and developing REST APIs. Proficient in GIT, with extensive experience in object-oriented PHP programming and MVC design patterns. Known for delivering robust, scalable solutions, I am eager to bring my skills and passion to a dynamic team.

## EXPERIENCE

**Software Engineer** | ITSTHS PVT LTD, Islamabad, Pakistan.

[June 2024 – Ongoing]

**Software Engineer** | IG Tech Services, Islamabad, Pakistan.

[Nov 2021 – Ongoing]
